Luckily the homeowners noticed it as they did not have a working smoke alarm.

➔ **Christmas Fire Safety Tips**
The Christmas holiday period is one of the deadliest times of the year for home fires. It is a busy time of year for many people and it's easy to get distracted or forgetful. Enjoy a safe Christmas this year by following some of these tips!

Fire Warden Training

Wednesday 25th January 2012,

9.15am—12.30pm

This popular 3 hour interactive workshop will provide attendees with understanding and knowledge of the threat and spread of fire, prevention of fire, action to be taken in the event of a fire, evacuation, fire extinguishers and general fire safety awareness.

Also included as part of this course is our Hands on Fire Extinguisher Operation. This will increase the attendees knowledge of fire extinguishers, how to use them and the correct one to use should the need arise.

Our training is presented by a fully qualified and competent trainer who will cover all issues relating to Fire Wardens responsibilities and duties within the workplace.

Course Price: £55 + VAT per attendee

Managing Fire Safety

Friday 27th January 2012,

9.15am—4.30pm

This 1 day course has been specifically designed to train and empower the Responsible Person or Fire Safety Manager. We understand that fire safety can often become a burden on the person responsible and we aim to make you feel in control of your duties. Regular maintenance, producing procedures and policies, carrying out a fire risk assessment and acting on your significant findings are all main aspects of managing fire safety in the workplace.

We aim to provide you with a fully comprehensive course filled with informative material relating to your specific workplace.

Course Price: £75 + VAT per attendee

Responsible Person Course

20th & 21st February 2012,

9.15am—4.30pm

This 2 day Responsible Person Training Course is delivered by our senior fire safety consultant who has over 30 years experience in fire fighting, fire risk assessment and training.

Topics included in this training include fire risk assessment, policies and procedures, staff training, evacuation and fire drills. Maintaining your signs, emergency lighting, fire detection systems and alarms is also included.

Attendees will be able to implement their knowledge, experience and understanding into ensuring their workplace is safe from the risk of fire.

Course Price: £149.95 + VAT per attendee

Host a Fire Safety Sign Presentation / Workshop

Our fire safety consultants are more than happy to attend your premises, where they can provide you with a useful and informative workshop concerning the management of fire safety or the technical issues that you may have with fire safety signs and emergency lighting. We do offer this service to our customers free of charge, the only thing we ask is that a room is available. We do provide these presentations for groups of no less than 15 with the option (if available) to invite other

organisations close by to yourselves.

If you feel this would be of use to you please do not hesitate to contact us with a day that you may have in mind. Alternatively we can send you over some information on the workshops before we arrange anything.

Contact us via email on service@solutionsfire.co.uk or alternatively give us a call on 0845 601 2632.

I would just like to take this space to wish you all a Very Merry Happy Christmas and a Happy New Year! May you all enjoy the Christmas holidays! Thank you for taking the time to read Solutions on Fire and we hope that you get something out of it! MERRY CHRISTMAS TO YOU ALL!!!!
